

TESTIMONY

Cathy, Tom and their children, Tommy (7) and Erin (1) moved from Chicago to the Atlanta area in May because of Tom's job, much against Cathy's wishes.

They are having a hard time rebuilding their lives away from family and friends. Cathy has been unable to reach out or accept their new life. I asked that their names be added to the prayer book at the end of June, when I visited Faith Center in Atlanta, and almost immediately invitations from Tom's co-workers started coming in and Cathy was able to respond positively to them. While still needing God's help to find His reasons for bringing them to Georgia away from family and friends and the resolution of those issues, things are indeed looking up.

Thank you, Lord.

Joshua, the 4 year old, suffering from the separation of his parents, whose name I also added to the prayer list, is much improved. His mother, Julie, has found a measure of peace and is better able to provide stability for Joshua and his little sister, Nicky. Julie's regaining of peace has allowed her to re-affirm her love of her children and their worth and importance in her life. This is reflected in both Joshua's and Nicky's smiles.

Thank you, Lord.

PROGRAMS

THE HEALING MINISTRY

The Lord blesses this work with many remarkable healings of body, mind and spirit. At Faith Center and in institutions around the city we pray with the sick and give counsel to those who are oppressed. Through our prayer fellowship, the Circle of Power, we reach out with the healing love of Jesus Christ to people all over the world.

THE CLOWN MINISTRY

Our ministers and volunteers become clowns for Christ, bring love, laughter and toys to children who are terminally and seriously ill. Volunteers are welcome in many capacities, and we invite you to call Faith Center.

THE PRISON MINISTRY

Our work focuses on the importance of each person undergoing a profound personal change, by receiving Christ, so that, upon release, he or she does not simply return to a self-destructive lifestyle. Our current programs include counseling in Georgia's death row

ANIMAL ACTION

When God gave mankind dominion over the earth and its creatures He did not have in mind the abuse and abandonment of His creatures, nor their torture in scientific experiments. Nevertheless these things happen on a vast scale. We, therefore, give a very high priority to working against such abuse wherever we can

NEWBRIEFS

THE CLOWN MINISTRY

Susan Ward, shown here in her clown character, Harvey, has been a prominent volunteer for the Clown Ministry, both in making costumes and puppets, and also as a clown on the regular visits to Eggleston and Grady Hospitals. At the end of the month she leaves for India. We will miss her greatly, and pray that the Lord brings her back to Atlanta before long. May God be with you, Susan, and thank you for all you did.

In a recent letter, Sister Grace Asare-Djan, who heads the ministry and our international prayer fellowship, the Circle of Power, in Ghana, wrote: "The Clown Ministry interests my nurses. One of them, after reading the Newsletter said, I wish Daffydil (Rev. Nathania Gartman) can fly here and suddenly arrive at the children's ward in the afternoon to change the whole noisy scene." Grace is a highly qualified nurse working with the Ghana Ministry of Health, and knows whereof she speaks!

In fact, this is a sentiment expressed by many who work with children in hospitals, and we know that many staff find the visits by the clowns to be a great relief. So far Revs. Nathania Gartman and Grace Michaels have not added flying to their many talents as clowns, but in response to the question, "How can I do what you are doing in my own home town?", Rev. Grace Michaels has compiled a manual to not only answer that question but also to give some very helpful guidance for anyone interested in starting a clown ministry. Her manual is already in use in Birmingham, and is available to anyone who wants to be involved in similar activity in their local children's hospitals and wards. If you would like to become involved, and with God's help, lift the spirits of many terminally and seriously ill children, please write to Rev. Grace Michaels at Faith Center, and she will be happy not only to send you a copy of the manual, but to provide advice and guidance on an ongoing basis drawn from her own experience.

OUTREACHES TO CHICAGO AND BIRMINGHAM

Rev. Jana Bernadette, Co-Director of Faith Center, played a vital role in the success of the Chicago and Birmingham outreaches.

The Lord very greatly blessed the travels of Revs. Raphael de Peyer and Jana Bernadette last month, and the following were some of the highlights:

Chicago: The Thursday evening gathering of our prayer fellowship, the Circle of Power, was jam-packed. Many old and very dear friends attended, and many newcomers became prayer fellowship members. It was a great pleasure to welcome so many new members, and the prayers themselves were full of the power and presence of the Holy Spirit.

The following Saturday saw an all-day workshop, "The Gift of Prophecy," which dealt with the nature and function of the prophet, and many of the prophecies, both those that have been fulfilled and those yet to happen. The workshop was also designed to encourage the flowering of this gift among the attenders, for as Paul wrote, "...eagerly desire spiritual gifts, especially the gift of prophecy," (1 Corinthians 14:1).

The week was also full of counselings, and meetings with old friends. Our very special thanks to all of you who contributed so generously to our annual appeal. And very special thanks also to Christian and Catherine Mendenhall for your magnificent hospitality and all the work you had done ahead of time to ensure the success of the visit. We pray for the Lord to truly bless you all, and look forward with great joy to our visit next year.

Much of the work during the Gift of Prophecy workshop was done in pairs or small groups, as shown above.

Birmingham: The weekend after returning from Chicago saw Revs. Raphael de Peyer and Jana Bernadette on the road again, this time to spend two very full days with members of Unity of Birmingham. Saturday saw another great day spent with the Gift of Prophecy, as well as a taping for Birmingham's Cable Channel 7 during which Rev. Jerry Bartholow interviewed Rev. de Peyer on the subject of prophecy.

Sunday saw Rev. de Peyer preaching on the subject of healing, beginning by discussing the subject from the point of view of forgiveness, inner healing, physical healing, and deliverance, and then leading the entire congregation in a special inner healing prayer. At the end of the service almost everyone came forward for a laying on of hands from our two ministers, and the Lord's healing presence was strongly felt. Our special thanks to Revs. Jerry and Beverly Bartholow for organizing a wonderful weekend of activity.
